## ARCHERS LEAVE LANCASTER

### Sell Out Their Real Estate Business. E. W. Archer Going to Texas.

The following account of the disposal of their business in Lancaster by E. W. & W. C. Archer, for several years residents of this place, is taken from a recent issue of the Lancaster Daily Eagle:

The Eymann Realty Company Friday morning purchased the business of the local realty company of Archer & Archer including the interests of the Archers in their Texas lands. The retiring from business here of the Archers is due to the fact that E. W. Archer will depart for Lyford, Texas, November 1, where he will devote his time to Texas land interests which are quite extensive, and his partner, W. C. Archer has accepted the position of secretary of the state board of awards at Columbus and commenced his duties last Monday. His family, however, will remain in Lancaster for the present and he will go back and forth. Mr. E. W. Archer will remain with the Eymann Realty company up to his final departure for the Lone Star State.

The Archers came here from Caldwell, Noble county, April 1, 1910, and opened real estate offices in the Kline building where they also handled the Schacht automobile. They were pushers and did a good business and Lancaster is sorry to lose these hustling business men. They made many warm friends here by their fair dealing and courteous treatment of patrons at all times.

The Eymann Realty company which is composed of Homer E. and L. E. Eymann, have occupied an office in the Martens building since June 1, and will move at once into the commodious offices of Archer & Archer in the Kline building. The Eymanns will handle this end of the Archers' Texas land while E. W. Archer will look after the Texas end.

## The Camping Nuisance.

The writer wishes to call the attention of those who have been annoyed by roadside campers recently to Section 13,397 of the General Code of Ohio: "Whoever, being a gypsy, wanderer, traveler or other persons, camps in tent, wagon or otherwise, or builds, makes or starts a fire on the public highway or lands adjacent thereto without first having obtained the written consent of the agent, manager or owner of the land abutting on such highway where such camp or fire is made, shall be fined not more than ten dollars or imprisoned in jail not more than thirty days or both."

The efforts of the writer were largely instrumental in securing the passage of the above act and many years of annoyance from campers were the causes that prompted him to make the effort to secure such a remedy. The writer believes that public highways are for the purposes of travel and not for the purposes of residence and except for easement of public utilities belong to the land owners.

W. E. DUCKWALL.

## Death of Mrs. Elizabeth Patton.

Mrs. Elizabeth Patton, wife of James T. Patton, died at her home in Samantha last Friday night after a three weeks illness of stomach trouble. Mrs. Patton was 69 years of age and with her husband had lived in and near Samantha for the past 48 years. She was a devoted member of the Presbyterian church at Fall Creek and a true Christian in all that term implies. The funeral services, conducted by Rev. McKnight, of Greenfield, were held at the home Monday morning in the presence of a large concourse of relatives and friends. The body was interred in the cemetery near the Fall Creek church.

## Berry Spargur A Candidate.

Berry W. Spargur, of Carmel, has announced his candidacy for delegate to the Constitutional Convention. Mr. Spargur will undoubtedly run on a radical platform. No one, who knows him, will doubt this. Mr. Spargur was in Hillsboro Monday and at that time announced his candidacy. He says that the people of Highland county, generally, know him and know what he stands for. He states that he will make a statement later.

Mr. Spargur is a prominent farmer of near Carmel. He belongs to the progressive wing of the Democratic party and has always been a great admirer of Bryan.

Mrs. Mary C. Henderson entertained at her home on south West street her brother, James McC. Woodside, of Hyde Park, Cincinnati. This is the first time in thirty years that Mrs. Henderson has had the privilege of entertaining her brother.

## CHAUTAUQUA NEXT YEAR

### In Hillsboro Is Assured by Action at Meeting at Court House Friday Night.

A Chautauqua will be held in Hillsboro again next summer. It will be conducted under the same plan as this year. This action was taken at the meeting at the Court House Friday night.

Daniel Morgan was chosen chairman of the meeting Friday night and J. W. Watts, secretary. About 25 people were present and all were enthusiastically in favor of holding another Chautauqua.

The plan under which it should be conducted was the subject of much discussion. Some favored incorporating with about 50 stockholders. The majority, however, favored the plan used this year, the securing of at least 150 persons to sign an agreement, authorizing the employment of talent and guaranteeing to make good any deficit that may occur.

A committee composed of Judge J. Frank Wilson, D. Q. Morrow, H. P. Morrow and J. W. Watts was appointed to draw the agreement.

A motion was then made and carried that a committee of five be appointed by the chairman, Daniel Morgan, Mr. Morgan to be a member of the committee. The other members appointed by Mr. Morgan are J. W. Watts, C. M. Kerns, Sam R. Free and C. F. Whisler. This committee began work Wednesday morning and in a half hour had secured the signatures of 25 people to the guaranty paper.

Mr. Morgan says there will be no difficulty in securing the 150 guarantors. Starting this early should mean even a better program next year than this. The experience gained by the management this year should also be of great benefit in the conduct of the one next year and there should be no danger of losing money.

## One Divorce Suit.

Only one new case was filed in the Common Pleas Court during the past week. It is a divorce case.

Harry E. Limes asks for divorce from Bessie Limes on the ground of gross neglect of duty. The parties were married at Greenfield March 14, 1907. No children were born of this union.

Plaintiff alleges that ever since his marriage to defendant she has wilfully neglected to stay at home and perform her household duties and has been indolent and untidy about keeping her home in order; that she has failed to take any interest in his work or assist him in any manner toward making a living.

The plaintiff therefore asks for divorce.

## TAX QUESTIONS

### Explained by Representative of State Tax Commission to Local Boards.

A. B. Peckinpaugh, representing the State Tax Commission, was here on Monday to confer with the Board of Equalization and the Budget Commission. The Board of Equalization is composed of the county auditor, county commissioners and county surveyor. The Budget Commission is composed of the county auditor, county commissioners, prosecuting attorney and mayor of Hillsboro.

The main question discussed by Mr. Peckinpaugh with the Board of Equalization was the power of the board as to the raising or lowering of the valuation on personal property. The valuation returned by merchants on their stocks of goods was given especial attention. Mr. Peckinpaugh stated that the board had the right to either raise or lower the valuations made by the assessors on personal property and that it was their duty to place a correct valuation on such property. If this is not done satisfactorily by the board the matter will be taken up by the tax commission.

Mr. Peckinpaugh instructed the Budget Commission in regard to the rates that could be levied for different purposes.

He said that the total rates for all purposes could not exceed 10 mills or 1 per cent.; that the total amount of taxes collected could not exceed the amount collected last year; that over 3 mills could not be levied for county purposes; 2 mills for township; 5 mills for schools; 5 mills for corporations and 451 mills for state. These totals must never exceed 10 mills and the amount raised never more than last year. The total taxes in any taxing district can not be greater than last year.

In a taxing district, however, the taxes raised for the different purposes can vary from last year as long as the total is not greater. For instance, if as much money is not needed for township purposes in Liberty township as last year and more is needed for the schools, as long as the 5 mill limit is observed for the schools, what was raised last year for township over the amount needed for this year can be added to the school levy.

The question of raising enough money for all purposes in the different taxing districts is going to be hard to solve under the new 1 per cent. law.

## Baptist Church.

## AUTO GOES THROUGH HOUSE

### R. D. Currie Backs Car into House on Walnut Street Knocking Hole in It.

A peculiar automobile accident occurred Wednesday morning. C. V. Purdy, of New Market, had his Buick touring car at R. D. Currie's garage. Mr. Currie had backed the car out of the garage onto Walnut street, the car facing east. He had backed the car slowly to the south crossing over West street. By mistake he threw on the full power of the engine and the car ran backward with great speed, striking the east side of the house and tearing a hole in the wall.

The tonneau of the car was badly split and the right wheel smashed. Every spoke being broken at the rim. Plastering was thrown all over the floor inside the room and a crack made across the wall. The weather boarding was knocked off a space about 6 by 4 feet.

The Ladies Aid Society of the U. B. Church were entertained at the home of Mrs. A. J. Fry south of town, Thursday afternoon. The following ladies were present: Mrs. W. W. Rymer, Mrs. Mike Rizer, Mrs. Charles Long, Mrs. Robert Hottle, Mrs. Wm. Purdy, Mrs. Wm. Johnson, Mrs. Hester DeHass, Mrs. Grace McGuire, Mrs. Lewis, Mrs. Campbell, Mrs. Stilwell, Mrs. Brooks White and little daughter, Mrs. Hunter and daughter, Mrs. Ed. Purdy and mother, Mrs. Walker and Mrs. Ed. McConaughy, of Madera. After business was attended to light refreshments were served.

## TRIP TO STATE FAIR

### Hugh VanWinkle, the Boy Who Secured Free Trip, Relates His Experiences.

Hugh J. VanWinkle, the young boy, who secured the free trip from Highland county to the State Fair, gives the following interesting account of his experiences on the trip:

I left on the E. & O. Saturday morning, August 26, at 7:25 and arrived at Columbus at 11:20, that morning, then went immediately to the fair grounds, where I registered at the Secretary's office. About seventy-five boys were present and we went to pitching tents at once, completing the work about supper time. We were then commanded to fall into line and get our orders from the Sergeant concerning camp.

Sunday morning at nine o'clock we went to the State Penitentiary, attending services at the Chapel. There are about two thousand four hundred and eighty (2480) inmates and all were present that morning. After services we went through the penitentiary.

We took dinner in the city, then visited the State House going back to camp about 4:30 in the afternoon Monday morning about one hundred boys were at camp.

We took our meals and camped on the fair grounds, and had from three to five hours work each day, such as keeping the floors of the different buildings swept and sprinkled.

On Thursday we enjoyed a fine trip to Hartman's Stock Farm, seeing all the modern equipments of an up-to-date dairy, consisting of one thousand cows, seven hundred Jerseys, and three hundred Holstein. One man milks and cares for twenty cows. He is dressed in a white suit. He washes his hands after milking each cow. He milks through cotton and weighs each pail, placing the milk in closed cans. It then goes to the bottling house.

There are four thousand (4000) acres in the farm. He has about fifty (50) head of imported horses, Belgian and German Coach and one hundred and fifty head of work horses. He employs two hundred and fifty men. All of the buildings are made of cement and consist of seven silos, four car barns, and three horse barns.

The certified milk is sold at seven cents a pint and the other at eight cents per quart. The displays at the fair were finer this year than ever before, there being about three thousand more entries this year than last. The live stock display was the finest that has ever been known at the fair.

The fair was a success in every respect. I enjoyed the trip very much and am grateful to those who assisted me in getting the trip. I think that every one should attend the fair if possible. We were treated very nicely by the officials of the Fair Board and also by the officers in camp.

HUGH J. VANWINKLE.

## FINE DISPLAYS

### And Good Races Mark Opening of the Hillsboro Fair—Old Soldiers' Day.

Wednesday was really the first day of the Hillsboro Fair. Aside from it being a little cool the weather was ideal. Tuesday was preparation day and from early in the morning until after dark, exhibitors were busy bringing in their displays and arranging them.

To say that the displays in several of the departments are better than ever before seen at a county fair is not an exaggeration. The only department Wednesday morning which was short on entries was the sheep department. The cattle, horses of all classes, hogs and poultry have some as fine bred stock as can be found anywhere. Mr. Turner, chairman of the poultry show, says it is the finest collection of birds he ever saw at a county fair.

Floral Hall is a thing of beauty. Here will be found the display of Fancy Work, Bread, Jellies, Cakes, etc., Flowers, Vegetables, Seeds and Small Grains. A visit to Floral Hall will more than repay anyone for going to the fair.

Many of Hillsboro's enterprising merchants have displays on the grounds. The farm implements, farm machinery and stove displays being very good.

Wednesday was especially "Old Soldiers' Day." The annual reunion of Highland county soldiers was held that afternoon on the fair grounds. Hundreds of soldiers were present to mingle with their comrades and exchange war reminiscences. J. R. Johnson, Commander, and W. S. Matthews, Adjutant General of the Department of Ohio G. A. R. were present and made stirring, patriotic addresses to the veterans of the great struggle.

The entries in all the races guarantees that all the races will be filled all three days and Secretary Calvert says that the class of entries in the different races promises some of the most exciting and hotly contested heats ever had on the Hillsboro Fair Ground.

At the time of going to press Wednesday afternoon none of the races had been decided. The races on Thursday and Friday, unless all signs fail, are going to be classy contests.

No one can afford to miss attending the fair. If you go one day, you will know that the attractions are just as good, if not a little better, than promised.

## Branch of Overall Factory.

The Hillsboro Overall Factory is opening a branch factory at Boston, Clermont county. The increased demand for overalls manufactured by this company and the inability of the management to secure enough girls to operate the plant here to its full capacity, has made this move necessary. C. S. Burton is in charge of the work of installing the machinery and will be the manager of the plant when it begins operation. W. E. Caldwell, manager of the Hillsboro factory, when he found it would be necessary to open a branch factory visited a number of places before he decided to locate it at Boston.

## Pearne—Field

Miss Virginia Pearne, formerly of Hillsboro and Allen B. Field, of Pittsburgh, were married at Ocean Grove, N. J., the latter part of last week. The following account of the wedding taken from the Times Star will be of interest to the many friends of the bride here:

An interesting wedding of this week-end at Ocean Grove, N. J., of interest to many Cincinnatians, was that of Miss Virginia Pearne, the daughter of the late Dr. Thomas H. Pearne, a Methodist minister, to Mr. Allen B. Field, of Pittsburgh, formerly of London. The wedding was solemnized at the summer home of Mrs. Robert M. Moore, the twin sister of the bride's mother and was an event of high noon with the brides cousin, the Rev. Frank W. Moore, a Presbyterian minister, of Brockport, N. Y., officiating. Miss Pearne wore a white crepe de chine gown over messaline, trimmed in shadow lace and her wedding veil was an embroidered tulle. She carried brides' roses. Miss Caroline Moore and Miss Florence Dunbar of Elizabeth N. J., were the attendants of the bride. Mr. Field and his bride leave for London, England, Sunday, to spend their honeymoon there and on their return, will live in Pittsburgh.

Mrs. John Bell, of Merrimac, Okla., is visiting Mrs. Samuel Hern and other relatives here. This is Mrs. Bell's first trip in 19 years.
